General overview

Attention for the Programs via Webinar

Please note that the ways to enter the room for programs held by Webinar are different between [chairperson/speaker] and [viewer].

Chairperson/speaker enters as the panelist.

* Panelist can use camera, microphone and screen sharing.

Viewers cannot use camera, microphone and screen sharing.

General Outline

How to participate in each program

Each program will have a different method of participation.

In addition, the method of entry differs in some programs depending on your role: as a chairperson / facilitator / speaker, or as an audience.

Please check the entry method for each program before participating.

Program Searching Site

To enter each program, log in to [Participant My Schedule Login] on the conference program search site (https://jsbba2.bioweb.ne.jp/jsbba2021/)

A user ID and password are required to log in. Use of My Schedule is available only to those who have registered for the annual meeting and paid the registration fee.

Name notation rule in Zoom

During the conference, please obey the following name notation rules for programs using Zoom:

"Name (Affiliation)"

Example) Smith, John (BBA Univ.)

How to participate in the programs using Zoom breakout room function

[Download Zoom application]

https://zoom.us/download#client 4meeting

[Check for the latest verstion]

Please make sure that you have the latest version of the Zoom application before starting. Please refer to the following for how to check for the latest version of the application. https://support.zoom.us/hc/ja/articles/201362233

Poster Q&A/discussion session will be in breakout room format. You will need to download the Zoom application to freely move around the breakout room.

What is the breakout room function?

This function allows you to set up additional individual meeting rooms within a meeting room.

Meeting room - the main room (large room)

Breakout room···Small room set up inside a meeting room

*This is a part of Zoom meeting; the camera and microphone can be used freely by anyone.

Request for confirmation of video/audio/screen sharing operation

Please confirm how to operate each function in advance.
